NEW PRODUCT ANNOUNCEMENT

## Little Gem Magnolia (*Magnolia Grandiflora* "Little Gem") 200 Gallon

The Little Gem Southern Magnolia is a cultivar of the Southern Magnolia, and has a compact, upright growth habit more typical of a multi-stem shrub than a single trunk tree. Forming a dense, dark green oval or pyramidal shape, it is suited for a screen or hedge planting, as well as a stand-alone specimen.

Grows to 25' / Flowers frequently  
USDA Hardiness Zones: 6 through 9
