## NEW PRODUCT ANNOUNCEMENT

# “Luscious” Laurel Oaks (*Quercus Laurifolia*)

The Laurel Oak is a handsome shade tree, widely planted in the Southeast.

It is typically a medium-sized tree, 50 to 60 feet in height, with a trunk diameter of up to 3 to 4 feet. It can sometimes reach a height of 100 feet. Its slender branches form a broad, round, dense, symmetrical crown.

*Now Available from SMR Farms*

*100 Gallon / 4” - 5” Caliper / 16’ - 18’ Height*

Call Chris Medico at 941-708-3322 for details.
